What's happening!

P.I. Committee. Public information is important

in carrying the message. Some of the duties of P.I. are to distribute pamphlets in hospitals and institutions, civic centers, etc. It also focuses on public awareness of what A.A. is about. It is vital to the growth of A.A. as a whole.

We discussed forming a liaison with the Korean AAIGK. This would enable both the English speaking and the Korean speaking committees to exchange ideas and possibly work together in the future on events.

Forming the A.A.P.C. (Alcoholics Anonymous Planning Committee).

This committee was formed to determine the feasibility of opening an Alano Club (or the possibility of an office space with room for meetings) here in Seoul. Many issues have come up with the USO Club, though we are very grateful for them allowing us to use the facilities. Some of the issues are that the USO is closed during all Korean and U.S. holidays.

The roundup committee for 2010 will start Soon!

What is a
